Actually, it looks like I am on call for 2 other cases in Springfield today (Karen Bell faxed me a summons yesterday afternoon when I was in court in Pittsfield), so I have no problem being on call for you. And thanks for giving me the drug cert # - Karen keeps forgetting to do that.

Sonja,

I just picked up a Szafranski case on for trial tomorrow and it's a poss. B w/ intent ([REDACTED]). However, it doesn't look like you've been slipped in. In bemoaning this fact, someone mentioned that you are slipped for a different drug case tomorrow. Is that true? Can I consider you available and on-call tomorrow? Let me know when you can. Thanks,

Tony

Thanks for keeping me informed about the [REDACTED] case - I appreciate it.

Also, is the [REDACTED] still scheduled for trial on June 9th? Should I plan on being on-call for this case?
